SUBJECT: FINAL PY 2000-01 WORKFORCE INVESTMENT ACT PERFORMANCE RESULTS

The purpose of this information bulletin is to provide the Local Workforce Investment Boards (LWIB) with the final performance results on the 15 core performance measures for the Program Year (PY) 2000-01. These data include both clients served by LWIBs formula funds and by the 15 Percent Special Projects administered by the LWIBs. The 15 percent projects that are not directly administered by the LWIBs are excluded from these data.

Please note that these data are attributed to PY 2000-01. The total participants served and the total exiters are clients entering and leaving the program during the period from July 1, 2000, to June 30, 2001. The measurement period for the Younger Youth Diploma Rate and the Younger Youth Skill Attainment Rate is also July 1, 2000, to June 30, 2001. For all the other measures, the performance outcomes on all of the other measures are based on clients who exited the program during the period from October 1, 1999, to September 30, 2000, in accordance with the Department of Labor (DOL) guidance.

For detailed definitions of the core performance measures, please refer to [DOL's Training and Employment Guidance Letter 7-99](#), *Core and Customer Satisfaction Performance Measures for the Workforce Investment System*, dated March 3, 2000, for additional information.

If you have question regarding these data, please contact Cindy Hobart, Manager, Performance Management Unit (PMU), at (916) 654-8285 or Debor L. Untal, PMU, at (916) 654-8295.
